

Informed Consent Form Blair Chandler's Earth-Centric Energy Treatments

I, _____, understand that I am receiving gentle, complementary energy-based modalities that include, but are not limited to, Reiki, Healing Touch, and Core Synchronism* from Blair Chandler. I fully acknowledge and understand that this is accomplished through light-hand touch.

These sessions are not intended to replace any currently prescribed medical treatments as ordered by my physicians nor any other medical care I have been advised to seek by them. I have accurately informed Blair of my medical concerns/history for the purpose of our work together.

I understand that Blair does not diagnose any medical condition nor prescribe for any condition. Blair does not make any claims regarding results from the sessions I receive, and I have been encouraged to consult a licensed medical practitioner for any physical or mental complaints I may have.

I have been informed that all client information and records are treated in a confidential manner. My experiences during these sessions are confidential subject to the usual exceptions governed by state and federal laws and regulations.

Except in the case of gross negligence or malpractice, I or my representatives agree to fully release and hold harmless Blair Chandler from and against any and all claims or liability arising out of or in connection with my session.

I give my consent.
